- Featured placement
- Gallery
- Video
- SEO boost
- Social media shoutout

Lead-Based Model (Medical & Real Estate)

SEO Strategy (Very Important)

Create separate indexable URLs:

/medical-tourism-alanya

/best-hotels-alanya

/boat-tours-alanya

/alanya-real-estate

/alanya-residency-guide

Create blog posts that internally link to directory pages.

Example:

“Best Things To Do in Alanya” → links to tours directory.

Authority Building

Add:

- “About Our Directory” section
- How businesses are verified
- Partner logos

- Testimonials

Position it as:

The most complete tourism resource for Alanya.

Long-Term Growth Strategy

Phase 1: Alanya-only dominance

Phase 2: Expand to full Antalya

Phase 3: Expand to Turkey coastal regions

But keep Alanya as the authority anchor.

Final Strategic Advice

Do NOT build this as just a listing page.

Build it as:

The Tourism Infrastructure Hub of Alanya.

Combine:

- Directory
- Guides
- Blog
- Booking
- Relocation help

That's how you dominate.
