

SEO Analysis — AlanyaHolidays.com

Business Type:

- ✓ Tourism directory
- ✓ Vacation rentals marketplace
- ✓ Local services booking platform

This is powerful because you can rank for **three different search intents**:

1. **Destination research** (top funnel traffic)
2. **Accommodation booking** (high intent)
3. **Activity/service booking** (transaction intent)

Most competitors only target ONE.

Your SEO goal:

- 👉 Become the “**Google of Alanya tourism**”.
-

1. SEO Structure You SHOULD Have (Critical)

Your website should be structured like this:

/alanya/
/things-to-do-alanya/
/alanya-hotels/
/alanya-villas/
/alanya-apartments/
/tours/
/restaurants/
/car-rental/
/airport-transfer/
/nightlife/

/areas/

/mahmutlar/

/kestel/

/oban/

Google ranks **structured directories**, not random listings.

2. MASTER KEYWORD STRATEGY

A. Primary Keywords (Money Keywords)

These drive bookings.

- alanya holidays
 - holidays in alanya turkey
 - alanya vacation rentals
 - alanya holiday apartments
 - alanya villas for rent
 - where to stay in alanya
 - alanya holiday booking
-

B. Directory Keywords (Your Biggest Opportunity ★)

Low competition + massive traffic.

- things to do in alanya
- best restaurants in alanya
- alanya tourist attractions
- alanya excursions
- alanya tours and activities
- alanya travel guide
- alanya tourism directory

These bring visitors BEFORE booking decisions.

C. Service Keywords (High Conversion)

- alanya airport transfer
 - car rental alanya
 - yacht rental alanya
 - spa in alanya turkey
 - private tours alanya
 - alanya boat trips
-

D. Long-Tail SEO Gold (Most important)

Examples:

- best family hotels in alanya
- cheap apartments in alanya for holidays
- alanya holiday rentals near beach
- things to do in alanya at night
- is alanya good for holidays

These rank fast and convert well.

3. Page SEO Instructions (Exact Implementation)

Homepage Optimization

Title Tag

Alanya Holidays – Vacation Rentals, Tours & Travel Guide in Alanya Turkey

H1

Plan Your Perfect Alanya Holiday

Homepage MUST target:

- alanya holidays
 - holidays in alanya turkey
 - alanya travel guide
-

Category Pages (MOST IMPORTANT)

Each category = SEO landing page.

Example:

/things-to-do-in-alanya

H1:

Things to Do in Alanya – Attractions, Tours & Experiences

Content Required

- 800–1200 words intro guide
- FAQ section
- internal links to listings

Google ranks content pages — not listing grids alone.

Listing Page SEO Template

Every listing should include:

- Unique description (300+ words)
- Location keywords
- FAQ
- Reviews (UGC = SEO gold)
- Schema markup

Example keywords:

boat tour alanya

alanya pirate boat trip

best boat tours alanya turkey

4. Technical SEO (You MUST Fix These)

URL Structure

BAD:

/listing?id=123

GOOD:

/alanya/boat-tours/pirate-boat-tour

✅ Schema Markup (Huge Ranking Boost)

Add structured data:

- TouristAttraction
- LocalBusiness
- Product
- Review
- FAQ

This gives you Google rich results.

✅ Speed Optimization

Tourism sites fail here.

Do:

- WebP images
- lazy loading
- CDN (Cloudflare)
- image compression

Target:

👉 under 2.5s load time.

✅ Mobile First

70–85% of travel searches are mobile.

Check:

- sticky booking button
- fast listing load
- simple filters

5. Local SEO (Massive Advantage)

Create Google authority signals:

Google Business Profile

Name:

Alanya Holidays – Travel & Vacation Rentals

Post weekly:

- tours
- blog posts
- properties

Location Pages (VERY IMPORTANT)

Create pages for:

- Mahmutlar holidays
- Kestel holidays
- Oba holidays
- Cleopatra Beach accommodation
- Alanya city center hotels

Each = new ranking opportunity.

6. Content Strategy (Traffic Engine)

Publish 2 articles/week.

High-Ranking Article Ideas

- Ultimate Alanya Travel Guide 2026
- Best Beaches in Alanya
- Cost of Holidays in Alanya
- Alanya vs Antalya for tourists
- Best time to visit Alanya Turkey
- 7 Day Alanya itinerary

These attract global traffic year-round.

7. Internal Linking Strategy (Directories NEED THIS)

Every page should link to:

Guide → Category → Listing → Booking

Example:

Best Boat Trips Article

Boat Tours Category

Specific Tour Listing

This distributes SEO authority.

8. Monetization SEO (Advanced Strategy)

You should rank for:

Commercial Intent Keywords

- book alanya tours online
- rent apartment alanya weekly
- alanya holiday packages

These convert visitors into revenue.

9. Backlink Strategy (What Actually Works)

Forget random backlinks.

Get links from:

- ✓ travel bloggers
- ✓ expat blogs
- ✓ hotel blogs
- ✓ tourism news sites
- ✓ local businesses you list

Offer:

- free listings
 - guest articles
 - local guides
-

10. 90-Day SEO Action Plan

Month 1

- Fix titles & H1s
- Create category landing pages
- Setup Search Console
- Add schema

Month 2

- Publish 8 guides
- Optimize listings
- Improve internal links

Month 3

- Backlink outreach
 - Create area pages
 - Add FAQs everywhere
-

**Biggest SEO Opportunity You Have
(Most Owners Miss This)**

You are BOTH:

- ✓ a directory
- ✓ a booking engine

This means you can dominate search by building:

👉 **Programmatic SEO pages**

Example:

/alanya-family-hotels
/alanya-luxury-villas
/alanya-beachfront-apartments
/alanya-romantic-restaurants

Each page automatically pulls listings + SEO content.

This alone can generate **100k+ monthly traffic** when scaled.

🔥 Priority Keyword List (Start Immediately)

Tier 1 (Core)

- alanya holidays
- alanya vacation rentals
- things to do in alanya
- alanya travel guide

Tier 2 (Revenue)

- alanya airport transfer
- alanya boat tours

- alanya excursions
- rent apartment alanya

Tier 3 (Scale Traffic)

- best beaches in alanya
 - alanya nightlife guide
 - alanya itinerary
 - where to stay in alanya
-

If you want next-level growth...

I can next build you a **complete SEO domination blueprint** showing:

- Exact site architecture (directory empire model)
- 100+ page SEO map
- Programmatic SEO system
- AI content workflow for listings
- Expected traffic growth (12-month projection)
